

McCue Dental Health

Thanks for choosing McCue Dental Health,

To comply with ADA, and CDC standards and to help protect our patients and staff, we have changed a few things about our check in process.

- To limit the number of people in our waiting room, **please call the office when you arrive** and we will let you know if we are ready for you to come up
- Please **wear a mask or face covering** into the office
- Use hand sanitizer at the front desk upon entry
- We will be having patients fill out a screening questionnaire and taking temperatures before going back to treatment areas

Thank you for helping us make your visit as safe and comfortable as possible. If you have any questions, don't hesitate to call us at **414-456-1091**
